

Luna hand control and charger

IPx7 screw lock connector:

A secure and reliable mechanism to hook up the hand control to the BestLift Luna lift.

- BestLift Luna hand control has ergonomic design and exceptional functionality.
- BestLift Luna charger can be mounted on every wall. This ensures a permanent and stable charging station.
- BestLift Luna charger can also be mounted on other Bestcare products, such as BestLift Luna Trolley or Mobile Flex 2- and 4-gantry systems.

Permanent and stable charging
